

**Andrew J. Moore, Professor of Mechanical Engineering and AWE
William Penney Fellow**

Andrew Moore received his BSc in Engineering Science and PhD in Optical Metrology from Loughborough University in 1988 and 1992 respectively. From 1992 to 1997 he worked at the Centro de Investigaciones en Optica, Mexico. He joined Heriot-Watt University in 1997 and is currently a Professor in the Department of Mechanical Engineering. He was an EPSRC Advanced Research Fellow (October 2000 to September 2005) and is currently an AWE William Penney Fellow (August 2006 to March 2011). His research interests include dynamic, full-field optical instrumentation and its application to engineering measurement, fringe pattern analysis and thermal forming.

Department

Department of Mechanical Engineering

Institution

Heriot-Watt University

Address

Department of Mechanical Engineering
School of Engineering and Physical Sciences
Heriot-Watt University
Edinburgh, EH14 4AS
